Technical details

ACTIVE CASES FOR BLACKBERRY

ACTIVE DELUXE cases are discreet, elegant, belt-mounted holders for owners of BLACKBERRY phones who want a secure, practical solution for protecting their phone and keeping it handy.

DELUXE LINE

The cases in the DELUXE line are crafted in fine leather and trimmed with contrast seams and highly elegant details. The rotating belt clip provides the highest levels of convenience and security. The cases in the DELUXE line are the most prestigious items of their kind offered by Cellular Line.

ACTIVATION OF STAND-BY MODE BY CASE

ACTIVE DELUXE FOR BLACKBERRY cases interact with a magnetic sensor in the Blackberry phone which deactivates the screen and the keyboard when the Smartphone is placed in the case.

"TRY ME" PACK

The pack is left open to allow consumers to feel the quality of the case for themselves and to make sure it is fully compatible with their own BLACKBERRY.
